## *1 Samuel 1-8: Returning to God*

Corrupt leadership, the poor downtrodden, and people using religion for their own ends... the time before King David sounds very contemporary. But 1 Samuel tells the beginning of a turnaround—a turnaround that we need personally today and that points us to the King of kings.

## *Why?*

Three talks on 'Why does God allow suffering?'. It's the biggest issue that people grapple with when considering faith, and it's a question Christians face too. We aren't going to solve it in three weeks, but we will find that looking at the beginning, middle and end of the Bible gives us perspective that helps us and others in the hardest of times.

**24th Mar**—'Why?' Suffering and the beginning

**31st Mar**—'Why?' Suffering and the cross

**7th Apr**—'Why?' Suffering and the end

## *Psalms 22*

This was the Psalm that Jesus had in his mind when he was dying on the cross. It gives us a great Easter insight into why Jesus himself suffered, and helps us to see how much we are loved, even when we can't feel it.
