Applying the passage as a whole...

1. Can you relate to the feeling of having a slow spiritual internet connection in your Christian life? What lately has made you feel like that?
2. Is there anything in verses 1-2 that make you excited to read Colossians?
3. Though you would like them more, are any of the marks found in v3-8 in your Christian life? Thank God for them in yourself and others.

It is it exactly that Paul prays for (v9-14), and why do so many things out of this?

Spend some time praying Col 1 for yourself and for your friends at church.
