When I looked in the mirror, d'you
know what I saw?

I saw someone who had broken the
law

God's perfection is too high for me
But he made a way for me to be free

Jesus died on the cross – d’you know
what he paid?

The price I owed for how I’d disobeyed
God’s perfect Son took on all my sin
And he gave us freedom, I’m safe in
him

He came, he lived, he loved, he died
He rose again, and he justified
Justified! I'm Justified!
It's just as if I'd lived Jesus' life

My life is free from guilt and shame
I've been justified in Jesus' name
Now in the mirror, here's what I see:
Jesus' goodness looking right back at
me

When I heard how Jesus had died in
my place
I had peace with God and joy on my
face
Now in the mirror, here's what I see:
Jesus' goodness looking right back at
me

He came, he lived, he loved, he died
He rose again, and he justified
Justified! I'm Justified!
It's just as if I'd lived Jesus' life
