Christ Church Huntingdon is a conservative evangelical church that exists by the grace of God! Our Vision is *"to see the wonderful good news of Jesus' rescue, which transforms, unites and equips a community, prayerfully shared with all in the Huntingdon area"*. We were planted in 2018 within the Church of England diocese of Ely by a small team that came mainly from St Andrew the Great Church in Cambridge. We are around 60-90 people of many ages and backgrounds on a Sunday.

For an application form (closing date 31st March), or for an informal chat on either of these two roles, contact Charlie Newcombe on 07535 501110 or revcharlienewc@gmail.com.
