

## Dig Deeper Haggai 2v1-9

- 1) Read Ephesians 2v19-22. In what way is the church the new temple? What are the similarities and differences between church and temple?
- 2) How does Haggai encourage the people to keep building? (2 big ways)
- 3) In what ways do we build God's house (the church) now?
- 4) How might these same encouragements spur us on to keep building the church?
- 5) Think of a specific example of how you can build the church this week. Pray that you would remember that God is with us (v4-5) and that his church will endure (v6-9)
